Rick West, Jr., would like the scholarship to be given to an art student who draws, because his father was an artist. We have extended it to include other art majors (fine arts, graphic arts, media arts, etc.). There is no appeal process for denied applicants. The scholarship is an award.

Keep in mind the scholarship award will be mailed to your school and may affect your financial aid for the particular semester you receive the scholarship award. If you are selected to receive this scholarship award, you should discuss your financial situation with your financial aid office and our office.

Scholarship awards are based on availability of funds.
