This enactment, known as a Bill Authorizing the Amendment of the Codification Act, shall also be known as “The Cheyenne and Arapaho Codification Act.”

CHAPTER 3. PURPOSE
§2.005 Purpose

The purpose of this act is to establish a system of codification for the laws, ordinances and other controlling documents of the Cheyenne and Arapaho Tribes. This codification system is designed to provide for a logically consistent ordering of the laws, ordinances and other government documents of the Cheyenne and Arapaho Tribes, and also contains a format and referencing system to ensure that there is one consistent, authoritative version of the Cheyenne and Arapaho Tribes Code. The authority for this Act is the Constitution of the Cheyenne and Arapaho Tribes.

§2.006 Establishment of a Tribal Codification System

There is hereby established a codification system for the organization of and reference to all Cheyenne and Arapaho Tribal laws, ordinances and other governing documents. This codification system and the persons responsible for its maintenance are set out in the sections below. All laws and ordinances previously adopted by the Tribe shall, within a reasonable time from the adoption of this Act, be reformatted and renumbered to be consistent with the codification system set out herein, as well as, where practicable, other governing documents.

CHAPTER 4. ORGANIZATION
§2.007 Organization of the Cheyenne and Arapaho Tribal Code

(a) Name of Code: The codification of laws and ordinances and other governing documents pursuant to this Ordinance shall be referred to as the “Cheyenne and Arapaho Tribal Code (CAC).”

(b) Organization by Subject Matter. The Cheyenne and Arapaho Tribal Code shall be organized in groups of laws and ordinances and/or governing documents with similar subject matter. Each subject matter grouping shall be designated as a title of the Cheyenne and Arapaho Tribal Code, and shall be identified by a whole number. For example, the second title of the Cheyenne and Arapaho Tribal Code, covering Tribal Government, shall be designated as Title 2.

(c) Numbering of Acts, Ordinances and Governing Documents: Acts, Ordinances and other governing documents shall be identified by the following numbering system: Each Act and Ordinance or governing document shall be identified by the Title number followed by a

Subsequent sections of the Act or Ordinance shall be numbered consecutively after the first section. Additional acts or ordinances within each subject matter title shall begin their numbering sufficiently far from the last section number of the previous act or ordinance to permit room for amendment of existing Acts or Ordinances to add new sections. For example, the first section of the Tribal Corporation, entitled "Authority," shall be identified as Cheyenne and Arapaho Tribal Code §15.101.

(d) References and Citations: When referencing or citing a provision of the Cheyenne and Arapaho Tribal Code, such provision shall be referenced or cited as follows: The letters "CAC" followed by the appropriate title and section number, and where applicable, the letters and numbers of the relevant subsection in parentheses. For example, when citing to this section of the Codification Act, the citation will read “CAC §2.007(d).” Whenever a reference is made to the Cheyenne and Arapaho Tribal Code, or to any portion of the Code, or to any Act, Ordinance or governing document of the Cheyenne and Arapaho Tribes, codified therein, the reference shall apply to all amendments, corrections and revisions made at the time this Act is originally adopted or any time thereafter.

(e) Establishment of Subject Matter Titles and Numbers. This Act hereby establishes the following subject matter titles, which shall include the acts, ordinances and/or governing documents set out beneath it identified by the numbering system following this section. Not all of the Acts and Ordinances listed below have been adopted yet by the Tribe. (f) Authority to Expand Cheyenne and Arapaho Tribal Code. The Cheyenne and Arapaho Legislature shall establish such additional subject matter titles at any time as the Tribe develops its set of governing laws, and shall insert other Acts, Ordinances and/or governing documents in the existing or additional subject matter titles as needed. This Act shall not be construed as requiring the tribe to enact any specific acts or ordinances.

(g) Cheyenne and Arapaho Code Books. Copies of the Cheyenne and Arapaho Tribal Code shall be kept in volumes that organize the Code in numerical order as set out above. The Cheyenne and Arapaho Legislature may create as many copies of the Cheyenne and Arapaho Tribe Code Books and distribute them as it deems necessary. An adequate supply of Code Books shall always be on hand to supply a copy to any tribal member or other person who requests one. The Tribe may charge a nominal fee to cover reproduction and binding costs to persons who request a copy of the Code. A copy of the Cheyenne and Arapaho Tribal Code shall be available for inspection free of charge at the tribal Concho office.
§2.008 Organization of Acts, Ordinances and Other Governing Documents; Act/Ordinance Numbering

(a) Act/Ordinance Numbering. Each Act, Ordinance or other governing document shall be designated an identifying number within the system described above. As new Acts, Ordinances or governing documents are added to certain titles, they shall be designated identifying numbers that follow sequentially from the Act/Ordinances/governing documents already identified in that Title, leaving room for expansion or amendment of existing Ordinances. For example, if Title 2 has three Acts or Ordinances in it, the first Act/Ordinance shall be designated CAC §2.001 et seq., the second Act or Ordinance shall begin at CAC §2.100, and a third Act or Ordinance added to that Title would begin a sufficient number of Sections beyond that number to provide for expansion and amendment of the third Ordinance in that Title.

(b) Section, Subsection, and Subpart Identification. Major sections in each Act or Ordinance shall be designated sequentially in alphabetical order by section numbers. Subsections to these major sections shall be designated sequentially in alphabetical order by small letters. Subparts of these subsections shall be designated sequentially by Arabic numerals in sequential order. Subparts of these subparts shall be designated sequentially by small Roman numerals. Each Act or Ordinance shall be formatted by indenting each successive sublevel further to the right than the previous level. An example follows:

§2.001 Major section
(a) Subsection
   (1) Subpart
      (A) Subpart
      (B) Subpart
         (i) Sub-subpart

c) Header Information. Every page of every Act, Ordinance or governing document shall have a header containing the following information: the name of the Act/Ordinance/governing document centered at the top; the words “Cheyenne and Arapaho Tribal Code” followed by the designated beginning section number for that Ordinance/governing document below that.

d) Footer Information. Every page of every Act, Ordinance or governing document shall have a footer containing the following information: The date the Act/Ordinance/governing document was adopted in the left margin; the date of its most recent amendment, if applicable, in the right margin; the page number centered on the following line.

e) Inconsistent Ordinances or Governing Documents. If there are two or more inconsistent copies of an Act, Ordinance or other governing document, the document with the more recent date of amendment shall be presumed to be controlling. All volumes of the Cheyenne and Arapaho Tribal Code shall contain only the most recently amended version of the Acts, Ordinances and governing documents that comprise the Cheyenne and Arapaho Tribal Code.
(f) **Renumbering Existing Ordinances and Governing Documents.** All existing Act, Ordinances and governing documents, as of the date this is enacted, shall be renumbered to be consistent with the organization system set out in this Ordinance.

**CHAPTER 5. RECORDKEEPING**

§2.009 **Recordkeeping; Office of Records**

(a) **Office of Records.** The Office of Records and other such other person designated specifically by the Constitution and Legislature, is hereby designated responsibility for recordkeeping and updating regarding the Cheyenne and Arapaho Tribal Code. The Office of Records shall be responsible for obtaining an accurate and complete copy of any Act, Ordinance or other governing document adopted or amended by the Cheyenne and Arapaho Tribes, and for formatting that document in accordance with the requirements of this Act. The Office of Records shall then cause copies of the new document to be sent to all persons who have copies of the Cheyenne and Arapaho Code and who are on the Tribe’s updated list of Code owners, with instructions to insert the document in a certain location in the Code book and, if appropriate, to discard previous versions of that document.

(b) **Master Volumes of the Cheyenne and Arapaho Tribal Code.** The Office of Records shall maintain at least four Master Volumes of the Cheyenne and Arapaho Tribal Code: One copy designated for the Cheyenne and Arapaho Tribal Council, one for the Cheyenne and Arapaho Executive Branch, one for the Cheyenne and Arapaho Legislature, and one for the Tribal Court. The Master Volumes shall be maintained so as to keep as complete a legislative record of such Acts, Ordinances and governing documents as possible.

1. **Contents.** The Master Volumes shall contain the following: The current, official versions of each Act, Ordinance or governing document, and along with these versions, a complete and orderly legislative history (when available) of each governing document in the Cheyenne and Arapaho Tribal Code, including drafts of an Act, Ordinance or governing document, resolutions adopted, amending or repealing an act, ordinance or other governing document, earlier adopted versions of an Act, Ordinance or governing document, any correspondence or memorandums related to the adoption or amendment of an Act, Ordinance or governing document and, where available and practical, written transcripts of the proceedings in which adoption or amendment of that Act, Ordinance or governing document was considered and discussed. Documents may be excluded from such record if they are confidential or subject to a privilege, such as the attorney-client privilege.

2. **Organization.** Acts, Ordinances and other governing documents in each master Volume shall be arranged in the same numerical order as the other volumes of the Cheyenne and Arapaho Tribal Code.

3. **Validity.** The absence of any or all of the above required documents in the Master Volume for an Act, Ordinance or governing document shall have no effect on the validity and authority of the Ordinance or governing document.

4. **Certification.** Each valid document of legislative history in the Master Volume shall be certified as such by the Speaker of the Legislature.

Certification can be done by any method that makes it clear that the Speaker has certified the document as a conformed, true copy of the document on file, so long as the Speaker’s signature is included as part of the certification.

§2.010 Legal Effects of Formatting
